# Ken Shelton

(Keynote)

Ken has been an educator for over 20 years and has worked extensively at the policy level with a number of State Departments of Education and Ministries of Education. Ken is a national speaker covering a wide variety of topics including: Educational Technology, Equity and Inclusion, Anti-Bias/Anti-Racist, and Cultural Intelligences.

# Laura Riffel

## (Keynote)

Dr. Riffel has taught every grade in Pre-K-Adult in general and special education. She ran a day clinic and statewide project on behavioral interventions and supports in the state of Georgia. She was also an adjunct professor at Georgia State University teaching Applied Behavior Analysis for Classroom Teachers. She also ran [www.pbis.org](http://www.pbis.org) from 1998-2012 when she retired.

# Additional Speakers

Lori Adams specializes in innovative strategies and solutions for unique learners.

Holly Clark specializes in technology integration and design thinking protocols for teaching.

Graham Fletcher is a math specialist with a focus on grades K -8.

Christine Pinto & Jessica Twomey specialize in technology for "Littles."
